## THE LIVE AUCTION – How it works!

**B**IDDING AT THE LIVE AUCTION: **The live auction will be in two segments beginning at 6:30pm.** Our Auctioneer, Patrick Phillips, will announce each item when it comes up for bid. To bid, raise your Bidding Paddle. The auctioneer must SEE you to call out your Bidder Number, so raise your paddles high! Once bidding is over, please keep your paddles up for our Spotters to record.

**M**ULTIPLE-WINNER ITEMS: For dinners and other events that can have multiple winners, you can bid on AS MANY SEATS PER BIDDER NUMBER AS YOU NEED. **If you need more than one seat, just hold up fingers with your paddle** - we'll demonstrate at the beginning of the auction.

MULTIPLE-WINNER BIDDING. Our auctioneer will increase the price until we have only the number of bidders to fill the seats. If we don't have enough bidders at that level, we will go down by a smaller increment than we went up until we have the same number of winners as seats.

### ...After the Auction

**L**INKING DONORS AND WINNERS: For events that have multiple winners, we will send a list of winners to the donor. We ask that all donors contact the winners no later than 30 days before their event (unless, of course, your event is sooner than 30 days from the auction - then you should contact your winners ASAP). The winners' invoices will list the name and phone number of the donor. Winners who have not been contacted should call the donor.

## THE SILENT AUCTION – How it works!

**M**OST ITEMS BEING AUCTIONED are in the silent auction. Some items are flat-price (those who bid first win) and others are competitive bids. Simply write your Bidder Number and, where appropriate, dollar amount in the spaces provided. Monitor the bidding to make sure that you are not outbid for the items you want!

**T**ABLE CLOSING: The silent auction tables open at 5:30 pm and the first tables close at 6:30pm. Please listen for the announcement from the auctioneer about closing times for other auction tables.

**M**ULTIPLE-WINNER ITEMS: For events that can have multiple winners, the highest bidders will win. For example, if there are four seats available and six people have bid, the highest four bidders will win a seat. Note that each seat may pay a different amount.

**P**ROXY BIDDING: If you want to bid for a friend who cannot attend the auction, they must be registered and you will need to check in to get their paddle and Bidder Number. Don't forget to check out with the cashiers for your friend.

**P**AYMENT: Before you leave, you need to stop by our cashiers, check that your invoice is correct, and pay. **We prefer that you pay by check (to UUCE).** Cash and credit cards are accepted. If you use a card, you will have the option of adding a donation to cover the fees. All sales are final. No refunds will be given.

**B**idding on an auction item is not the only way to win. Purchase **Stretch Raffle tickets** -- one ticket for \$5, or for \$20, as many tickets as fit between a tall ticket seller's outstretched arms. That's a lot of raffle tickets! **Deposit your raffle tickets in the bags for the raffle basket(s) you hope to win.** Raffle winners will be drawn following the live auction.

**Visit the Wine Wall** and go home with a bottle of wine worth at least \$20.
