

## UUCE Food Drive, Sunday, June 19<sup>th</sup>

(Day of our Annual Meeting!)

**We need your help...**

For our SGCC service project we are holding a food drive at the church. We would love your help in providing much needed food to be donated to our Food For Lane County organization that does such a wonderful job of providing food for the many, many food insecure people in our community.

See below for foods that Food for Lane County is in most need of.

### **Most Needed Items include:**

- Soups with protein
- Canned spaghetti sauce with meat
- Spaghetti noodles
- Corned beef or spam
- Low-fat peanut butter
- Low-sugar jam and jelly
- Packaged brown rice
- Canned or dried beans
- Canned tuna, chicken, salmon, stew
- Low sugar canned or dried fruit
- Unsweetened applesauce
- Low-sodium broth

### **Food for Lane County cannot accept the following:**

- Food items past their expiration date
- Food packaged in glass
- Bulk food
- Homemade/home canned food items
- Already opened containers
- Fresh fruit or vegetables
- Bakery items such as bread

*\*All food must be conventionally packaged.*

We are encouraging people to contribute ready to eat food that does not need refrigeration or cooking, which will help feed our large homeless population. This also includes: Vienna sausages, beef jerky, nuts and protein bars.

Thank you so much for your help!
